About Me

Trainer and ICT professional with 3+ years of experience in entrepreneurship training, digital literacy, ICT, mentorship and community engagement. Skilled in facilitating practical training, business development, financial literacy, project development, digital skills and learner engagement. Experienced in working with youth, women and community groups through SIYB, NYOTA, GONLINE AFRICA, SkyGirls Kenya and the IKNOWHER Initiative. Holds a Diploma in Information Communication Technology and a Certificate in Data Analysis from ICT Authority (ICTA).

Work Experience

SIYB Trainer (Start Improve Your Business)

Jan 2026 – May 2026

SIYB AFRICA

- Facilitate entrepreneurship training for participants using practical and learner-centred approaches, supporting learners to develop business knowledge, understand customers and markets, manage finances and apply business concepts to their enterprises.

NYOTA TRAINER – SESD

2025– 2026

NYOTA

- Facilitate NYOTA training for young people, delivering practical sessions in entrepreneurship, business development, financial literacy and enterprise management. Support participants through group activities, discussions and practical exercises while providing guidance on applying business skills to their enterprises.

DIGITAL LITERACY TRAINER

2022– 2024

GONLINE AFRICA

- Deliver practical digital literacy and ICT training to youth and community learners. Train participants in Google Workspace, Google Sheets, Microsoft Office, online tools and digital productivity while supporting learners with different levels of digital knowledge. Facilitate digital safety and cybersecurity awareness sessions and help participants use technology for learning, communication, entrepreneurship and work.
