New Clubs at Lower Farm

Following a resident meeting it was discussed to introduce a photography club and a gardeners club, all are invited to participate in these new clubs, we have purchased some new digital cameras for residents to use.

Information regarding the Home

On the 10th June a new lift will be installed in the rear of the home near to the laundry, we apologise in advance for any noise relating to building works we have asked contractors to respect the timings of the works and work will end latest 4pm daily to ensure this does not impact the home.

We have installed more fans around the home to ensure residents feel cool as the warmer days arrive. We also changed the kitchen order, so ice lollies are now a staple part of the available items for the residents.

The new summer menu has been launched with collaboration from Apetito after the tasting day that was had to create a new menu from the feedback from the residents/families and friends.

Friends and Family Meetings

We have the following dates scheduled for **2026- 2027**:

- **Wednesday 22nd July 2026**
- **Wednesday 14th October 2026**
- **Wednesday 6th January 2027**

We are reaching out to request that families and friends please attend these meetings it is part of regulatory practices as meetings and feedback are received regarding the service we provide.

Within the next few weeks, we will be contacting families and friends to ask some short questions to gain feedback to see if we can improve our service.

Our New Signing in Procedure

We have a new signing in and out log that is electronic at both reception entrances this way you can sign in at one entrance and sign out at another entrance. Those that frequently visit can be given a frequent visitor QR card whereas they can scan it at every visit to save time when logging in and out. When you sign out with a resident please ask staff to show you how to sign the resident out of the building and when they come back to sign them back in again. This is important as if there is a fire in the home, we need to know who is in the building.

Summer Barbeque

The annual summer barbeque is going to be held on the **27th August 2026**. This is an open invitation to all families and friends that can attend and join in the fun and celebrate with the residents.

We will also be holding a summer raffle to raise funds for the residents fund.

Domestic Team

The domestic team wear **burgundy uniforms** and will be seen around the home. If you see any concerns with cleanliness, please find a member of staff who will action this for you.

We have the head of the domestic team Debbie she is the in-charge person; we also have a team of 8 individuals that are responsible for the homes Domestic and Laundry services.
