

WARRANTY

Window Warranty: At The Hurricane Pros, we take great pride in the quality of our craftsmanship and stand firmly behind every installation we complete. For this reason, we are pleased to offer a limited lifetime warranty on all of our installations, providing you with long-term confidence and peace of mind in your investment. This warranty ensures that our workmanship will remain free from defects for as long as you own your property. In the unlikely event that an issue arises as a result of installation-related workmanship, our team will promptly evaluate the situation and take the necessary steps to correct it at no additional cost, in accordance with the terms and conditions outlined in the warranty. For More information please click on The Hurricane Pros Terms and Conditions below.

It is important to note that this warranty specifically covers workmanship and does not extend to damages caused by external factors. For example, if glass is broken due to impact from an object or any outside cause, the homeowner would be responsible for the cost of the replacement glass. However, as part of our commitment to exceptional service, The Hurricane Pros will provide the labor required to install the replacement glass at no charge.

Blinds Warranty: The Hurricane Pros provides the supply and/or professional installation of blinds, shades, and related window treatments for the Contractor's clients. All products are backed by a One (1) Year Limited Warranty covering mechanical defects, motorization issues, installation errors, and manufacturer defects present at installation. This warranty excludes misuse, accidental damage, negligence, improper handling, unauthorized repairs, environmental conditions, and normal wear and tear. Any defective product identified prior to or during installation will be repaired or replaced at THP discretion. All warranty claims must be submitted through the Contractor, and THP reserves the right to inspect the product before approval. Liability is limited to repair or replacement only, and this warranty is valid for one (1) year from the date of installation. Our warranty reflects our dedication to excellence, durability, and superior customer service. We are committed to ensuring that your experience with The Hurricane Pros is seamless, reliable, and built on trust for years to come.
